I. Description of Event:

Our office has received a Special Recreation Permit Application from Brett Marshall, President of the Wild Bunch Motorcycle club, a club within the Motorcycle Racing Association of Nevada (MRAN). The organization propose to conduct their annual "Wild Bunch Desert Motorcycle Race" on Saturday evening, September 18, 2004, beginning at 6:00 PM, over public lands in the Jean dry lake area shown on the attached race map.

The Wild Bunch anticipate 50 TO 60 riders to participate in the night race. Only motorcycles and all-terrain vehicles (ATVs) would be allowed. All classes would race five laps over one 20 mile loop, for a total of 100 miles to finish. A one lap non speed non-competitive and escorted pre-run lap would be provided prior to the start of the event to allow all entrants to view the race course before the race. Approximately 100 to 150 race related pit crews, families and friends are expected, and all would be limited to the central pit and start/finish area only.

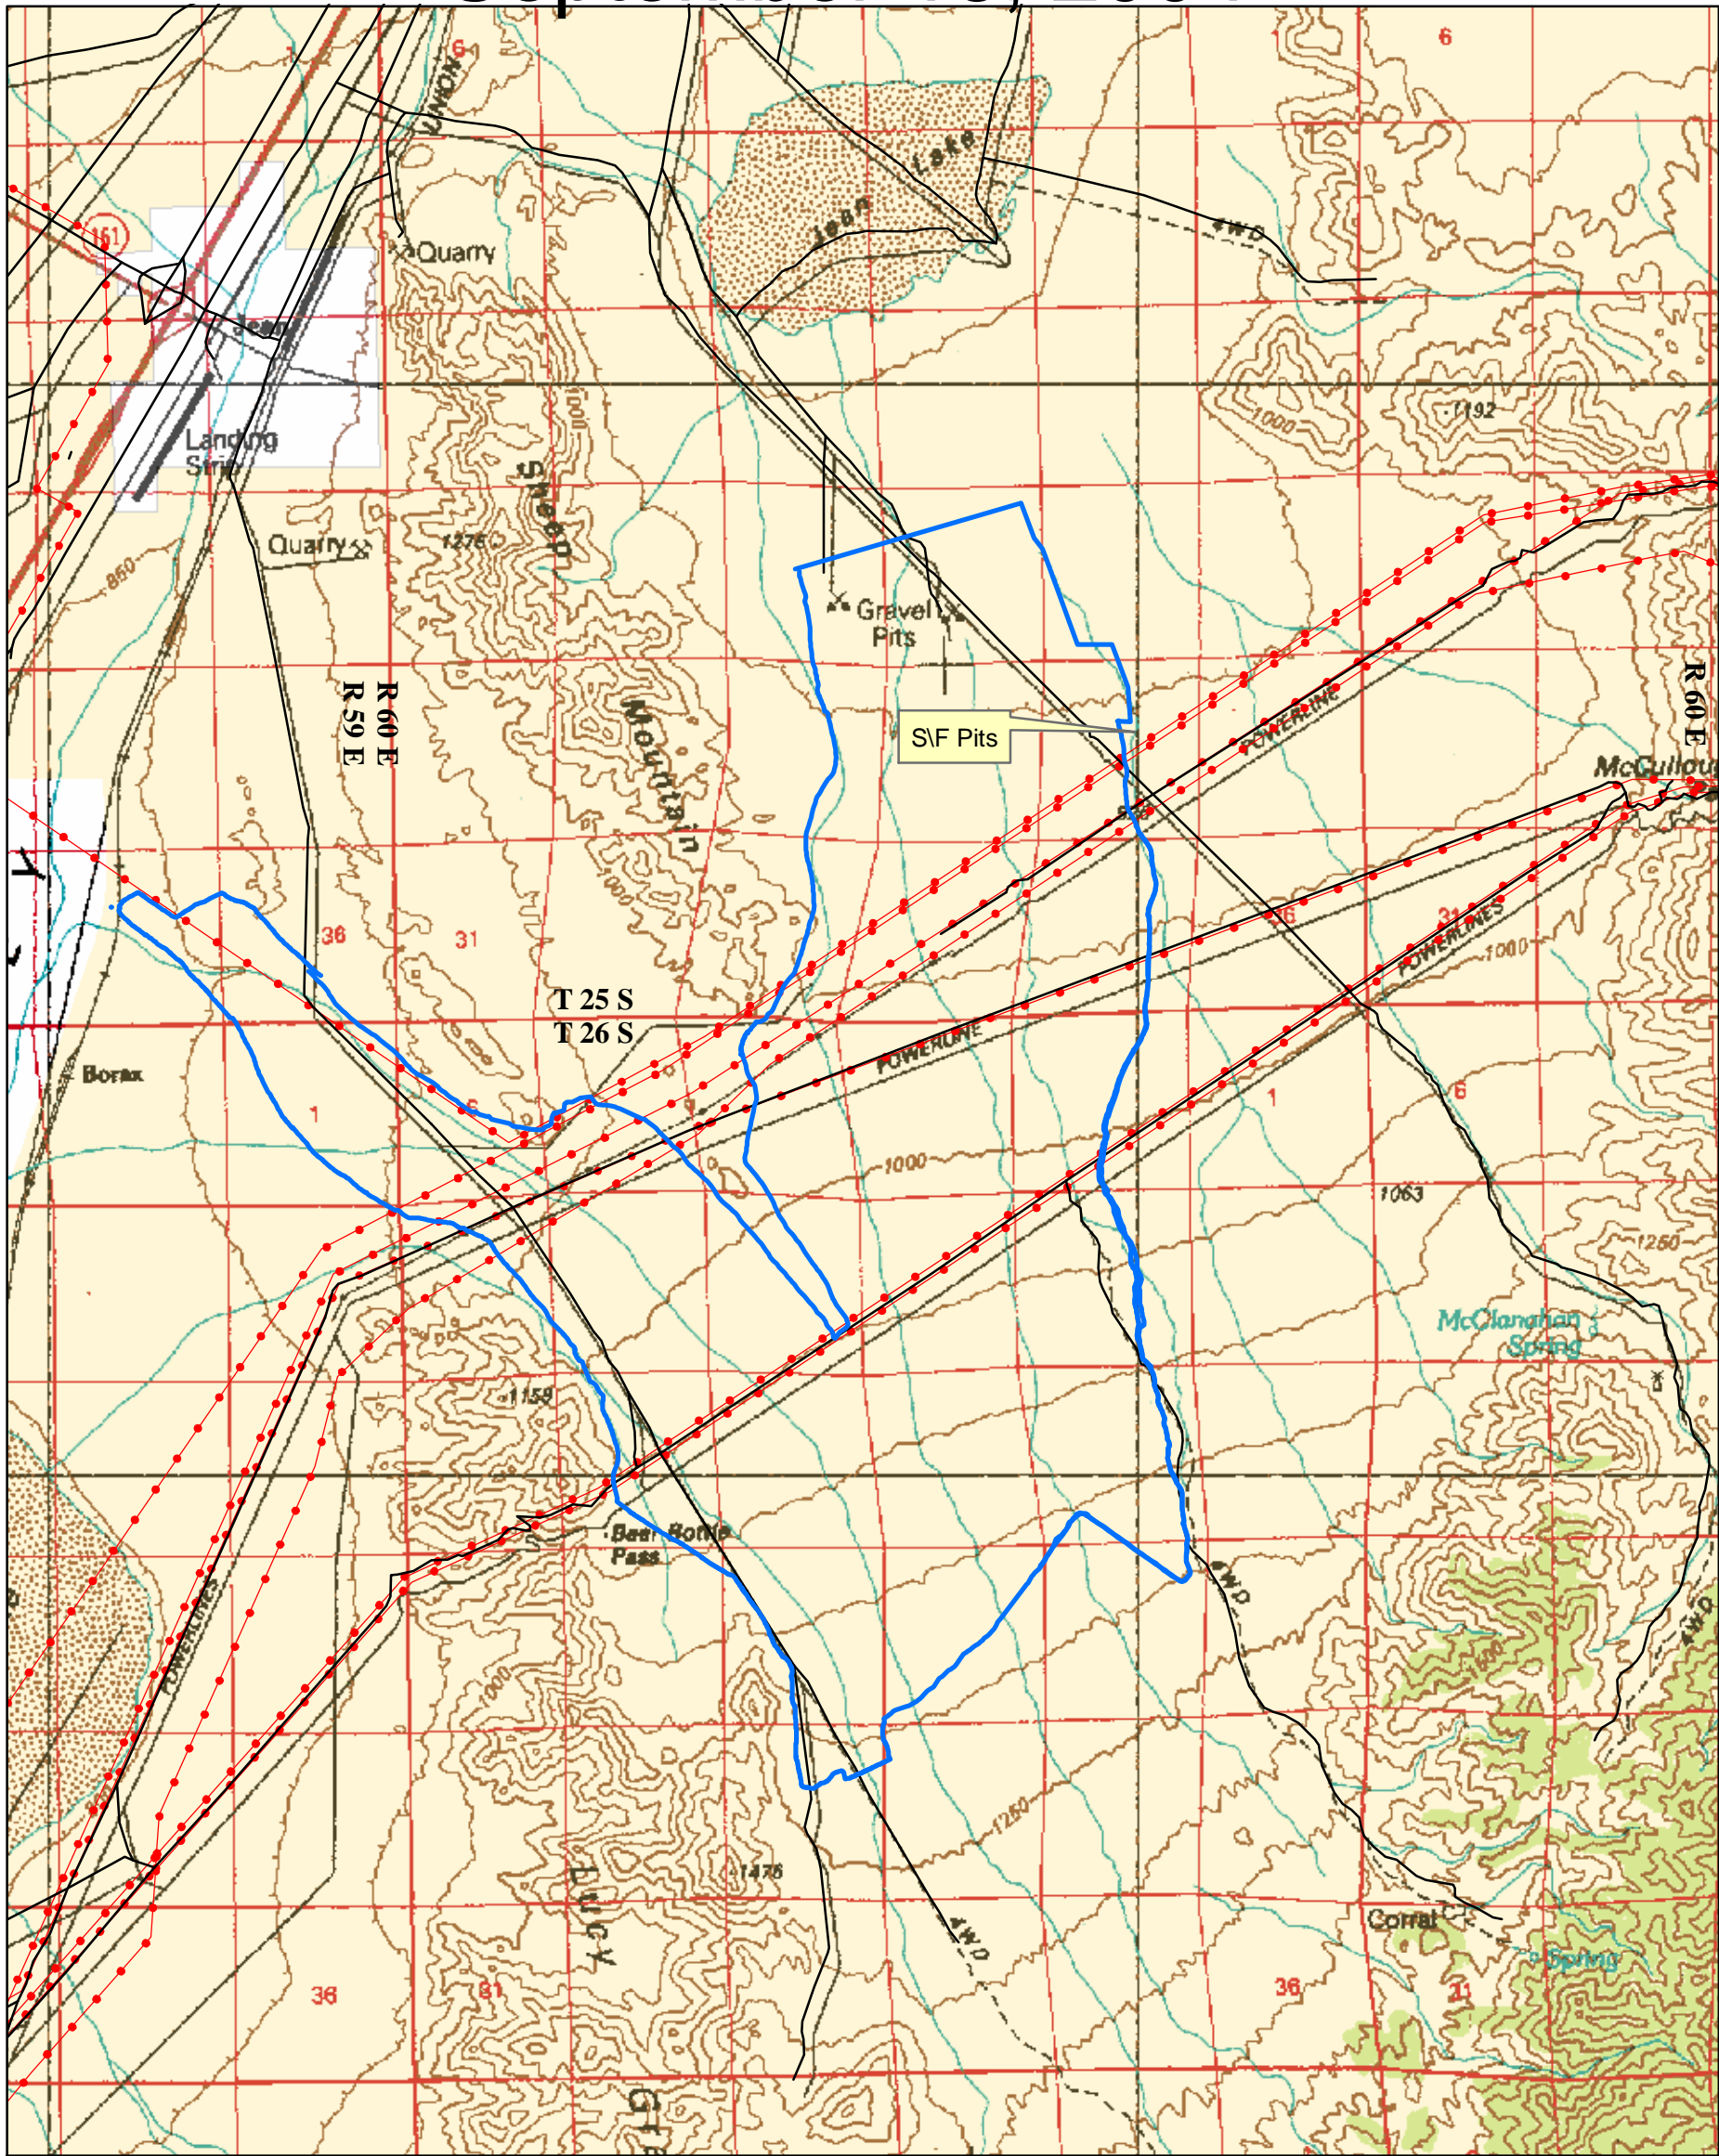

The proposed course consists mainly of existing motorcycle and buggy course, and sand/gravel washes used in numerous previous events. The race would have a timed start, with riders starting in groups by class. An OHV night race EA NV-050-2002-103 for the subject area is available at your request.
